

## **English Homework Instructions**

Your English Summer Homework task is to revise for the Language Paper 1 component of your GCSE.

To revise the Language Paper 1 exam, you must complete the following three tasks:

Task 1 - Read all the exam questions on pages 4 - 6 and highlight the key words.

Task 2 - Read the insert on pages 2 and 3.

Task 3 - Answer the Section A exam questions.

If you need help:

- Use the PDF cheat sheet to support you
- Look back through your answers and feedback from the 'Mary and Dick' Language Paper assessment that you completed in class.

Extension: Complete the question 5 creative writing task. Remember to use the 5-step structure that you have learnt this year!

Bring in your completed summer homework into lessons when you return in September.
