

Holiday Homework

Year 8 into Year 9:

Draw a label a brain.

Annotate with the functions of each part of the brain.

Extension: research the roles of the left and right hemispheres. Draw an image to represent what each hemisphere is responsible for.

Resources you could use:

[The Brain and Neuropsychology - Study Mind](#)

[3. The brain and neuropsychology – GCSE Psychology 9-1](#)

[How to learn major parts of the brain quickly](#) (video)

Year 9 into 10:

Research different sleep disorders and make notes on Insomnia and Narcolepsy

You should include:

What the sleep disorder is

What the symptoms are

What causes the disorder

Extension – Can you explain how the disorder is treated?

What is the current prevalence of the disorder? How many people in the UK currently suffer from it?

Resources you could use:

[Sleep problems - Every Mind Matters - NHS](#)

[Narcolepsy - NHS](#)

[Insomnia - NHS](#)

Year 10 into 11

Social Influence revision resource – A3 sheet (knowledge organiser) or any other revision resource of your own choice (flash cards, mind maps, blurt sheets – what you know in one colour, what you had to look up in another colour). Ensure everything on the PLC has revision notes made for it.

Extension: make quizzes online or on paper, with answer keys to test different parts of the topic

Resources you could use:
